ABOUT THE TSC

Established in 1924, the Toronto Ski Club is among Collingwoods oldest Ski Clubs. Today, the TSC's private Clubhouse proudly sits at the base of Blue Mountain and boasts fabulous views of the Niagara Escarpment. While the TSC is a private Club, we love opening our doors to guests for events from May 1st through to October 31st each year.

Our spectacular Clubhouse lends to a warm & welcoming atmosphere allowing your guests to feel comfortable and at ease, while enjoying total privacy and scenic views. Ceremonies at the TSC are generally enjoyed indoors; the large windows throughout the Club provide beautiful natural light. Our expansive patio is perfect for pre and post ceremony cocktails and receptions. Enjoy the sunshine, spectacular mountainous views, and the starry sky at night.

WHY BOOK TSC?

Because our food and beverage team operates seasonally, we are unique in that while we offer our venue as a rental, we do not provide food and beverage for off-season events. This sets us apart from other venues in the area, in that it allows our couples the flexibility to choose their own vendors, and most importantly, host your own bar! This can result in substantial financial savings, as well as allow you the freedom to choose your own spirits.

Conveniently located at the base of Blue Mountain, we are a short walk or drive to Blue Mountain Village, where there is an abundance of accommodation, as well as restaurants, nightlife and activities for your guests to enjoy!

Have a lot of guests driving? The TSC has a copious amount of complimentary guest parking.
